### *Some Special Considerations*

*Clothing:* Wear similar color tones.

Avoid turtlenecks, stripes, and large logos.

Wear dark shoes and socks with dark pants.

Go barefoot or wear light socks with light pants.

Avoid white socks and shoes with dark pants/jeans!

The larger the group, the fewer colors

you will want everyone to wear.

*Glasses:* If you wear glasses all the time, you'll want to wear them in your portrait. If you don't have glare-free lenses, OR if you have lenses that darken outdoors, you should bring a frame without the lenses in them. This will avoid costly retouching.
