Some Special Considerations

Clothing: Wear similar color tones.
Avoid turtlenecks, stripes, and large logos.
Wear dark shoes and socks with dark pants.
Go barefoot or wear light socks with light pants.
Avoid white socks and shoes with dark pants/jeans!
The larger the group, the fewer colors
you will want everyone to wear.

Glasses: If you wear glasses all the time, you'll
want to wear them in your portrait. If you don't have
glare-free lenses, OR if you have lenses that darken
outdoors, you should bring a frame without the
lenses in them.
